

All Aboard The Magic Carpet

This term Classes 1 and 2 will be learning about the world around them and the different places it contains. Please choose at least 4 of the following home learning projects to complete before the end of term 6. As soon as any task is completed send it in to school – all work will be treasured and displayed on a special homework board in the classroom. (Please let us know if you need anything to help your child complete a task). Remember – it's okay for the children to ask an adult to help them write or write for them if needed. The children can use the internet to help them as long as an adult knows they are doing so.

Draw a picture of somewhere you have been with your family – talk to your family about it so that you will be able to talk about it at school.

Make/build a 3D model of a form of transport. Talk to your family about where it could take you.

Log in to Purple Mash and complete some of the activities from the Geography section:

*- Open Purple Mash
- Click on topics
Choose Geography*

Create an exercise routine for your class to do on the magic carpet. Explain and use it at school with your friends.

Find out about somewhere you would like to visit using the internet/books/library, etc. Draw a picture and write a few of the things you found out.

Choose a place you would like to visit and write a packing list for your adventure. Draw and number the items you would take.
