

Year One -Autumn Term One

Bears, Bears Everywhere!

Home Learning. Well done Year One children for an amazing start to the new school year! We thought we'd give you something very exciting to do at home together. Please choose at least 3 out of the 6 activities/tasks below to be completed by Friday 1st December. We will really treasure your work so send it in as soon as you complete it and we will display it on a special wall in the classroom and share it with our friends.

Geography/ICT

Go for a walk in the woods with your family. Draw a map of your journey; you could add photos if you wish.

Challenge: label your map with geographical features eg hill

Science

Can you keep your teddy bear warm? What could you make? You can bring in your design or the finished product. **Challenge:** can you also keep your bear dry in the rain/snow?

P.S.H.E.

Care for your bear. Make a list of all the things your bear needs to keep them healthy and happy.

Mathematics

Can you find out which is the shortest/tallest bear or person in your house? **Challenge:** can you find different ways of measuring them and you could record your results.

English/ICT

Tell your bear a bedtime story. Can you use actions for some of the words in your story? Draw a story map of the story you told. For more stories to read at home try this website and get an adult to join. **Be safe online.**

Art/Geography/ICT

On your walk in the woods collect leaves, conkers etc. Make a teddy bear collage picture using these natural materials.
