Staff will not discriminate against a pupil, or prospective pupil, because of a characteristic which they are believed to have, even if the belief is mistaken.

4. Sex

For the purpose of this policy, sex refers a pupil's biological assignment at birth depending on their reproductive organs. The school understands that some pupils identify as a gender different to the sex they were assigned at birth, and we will support pupils through their transitioning phases.

Staff will ensure that pupils of one sex are not singled out for different or less favourable treatment from that given to pupils of other sexes.

The school will only separate pupils by sex where there is reasonable justification for doing so, or if one of the following applies:

- Pupils will suffer a disadvantage connected to their sex
- One sex has needs that are different from the needs of the other sex
- Participation in an activity by pupils of one sex is disproportionately low

The school will consider non-statutory exceptions on a case-by-case basis, and regularly review the impact of any separation to ascertain whether it remains lawful.

Pupils will be offered equal opportunities to undertake any activity in the school.

5. Race and ethnicity

Staff will ensure that pupils of all races and ethnicities are not singled out for different and less favourable treatment from that given to other pupils and the school will regularly review its practices to ensure that they are fair.

Staff will ensure pupils with EAL are treated equally and fairly, while ensuring they are supported at all times.

The school will not segregate pupils on the basis of their race or ethnicity, understanding that claims of 'separate but equal' will not be tolerated, and that such actions will always be viewed as direct discrimination.

6. Disability

Staff will ensure that pupils with disabilities are not singled out or treated less favourably than other pupils simply because they have a disability, which includes any mental health issue, regularly reviewing our school practices to ensure they are fair.

Staff will ensure that they do not discriminate against pupils with disabilities because of something which is a consequence of their disability unless it is for a legitimate reason and is a proportionate way of achieving that legitimate aim.

The school will make any reasonable adjustments, and provide any auxiliary aids, necessary to ensure the full inclusion of pupils with disabilities, especially where the pupil also has SEND but does not have a SEND statement or EHC plan.

The school will meet its duty to undertake accessibility planning for pupils with disabilities and ensure that an Accessibility Plan is implemented and reviewed where necessary.

Staff will ensure that pupils are not singled out or treated less favourably because of their religion or belief.

The school will ensure that pupils are provided with the appropriate space in which they can practice their faith, e.g. to perform their daily prayers.

Absences in relation to religious observances will be handled in accordance with the school's Attendance and Absence Policy.

The school will liaise with local religious leaders of all faiths to inform the amount of leave pupils will be granted in relation to religious observance.

8. Sexual orientation

Staff will ensure that all gay, lesbian and bisexual pupils, or the children of gay, lesbian or bisexual parents, are not singled out for different or less favourable treatment from that given to other pupils.

The school will educate pupils on positive relationships, families and gender identities within the LGBTQ+ community. RSHE lessons will be taught in accordance with the school's policy.

Staff will ensure that any religious beliefs with regards to sexual orientation are taught to pupils in an educational context, in a manner that is not prejudicial or discriminatory.

Staff will support LGBTQ+ pupils to feel comfortable and ensure they can celebrate their identity.

9. Gender reassignment

Staff will ensure that pupils are not singled out or treated less favourably in relation to gender reassignment, i.e. because they are trans or have trans parents, siblings or other family members. The school recognises that gender reassignment does not necessarily involve physical change, and can be solely social and emotional.

The school will ensure that there are suitable toilets for pupils to use.

The school will support trans pupils to feel comfortable and ensure they can celebrate their identity.

10. Looked-after children (LAC)

LAC and previously LAC (PLAC) will be given the highest priority for admissions, as per the requirements of our Admissions Policy.

Staff will ensure that pupils are not singled out or treated less favourably because they are looked after, or have previously been looked after, by the state.

A personal education plan will be created and implemented, when appropriate, for LAC and PLAC, to ensure that their education and development needs are fully covered, including appropriate transition and catch-up support to ensure that they do not fall behind.

Staff will ensure that any SEND that LAC or PLAC have are duly taken into account and addressed, whether this is with or without a SEND statement or EHC plan.

The school will adhere to its LAC Policy containing further information addressing equal opportunities for LAC.

11. The curriculum

Pupils will be exposed to thoughts and ideas of all kinds, and the school will not make any unjustified changes to curriculum content on the grounds of any protected characteristics that a pupil may have. The school will ensure, however, that the curriculum is as balanced as possible, and delivered in such a way that prevents discrimination and the promotion of prejudicial stereotypes.

- Providing an environment where prejudiced assumptions, attitudes and behaviours are continually challenged.
- Instilling in pupils an awareness of prejudice, giving them confidence that it can, and must, be eradicated.
- Providing a variety of educational and residential visits that expose pupils to a wide range of cultural experiences.
- Ensuring equal access to opportunities, such as extracurricular activities and the curriculum.
- Taking care in the use of language and the choice of resources, so that teaching and non-teaching staff avoid reinforcing stereotypical views of society.

Any bullying incidents of a child protection or safeguarding nature will be reported, recorded and dealt with in line with the process in our Child Protection and Safeguarding Policy.

The headteacher will decide whether it is appropriate to notify social services and/or the police of any incident.

Concerns with regards to the handling of bullying and discrimination incidents will be dealt with via the procedures outlined in the Complaints Procedures Policy.
