

# Coalway Kids News!

Summer Term 6 2018

Welcome again to the Term 6 edition of 'Coalway Kids News'! You will find our views and information on what happens at Coalway Community Infant School. Remember **everything** in this newsletter has been created by us, the children of Coalway!!!

It's been an extremely busy, warm term here at Coalway! At the end of the year we enjoyed Classes 5&6 performance - 'The Disappearance of Danny Dab'! We also held some very special events including, 'Summer Fayre', 'Open Afternoon', 'Attendance Assembly', 'Sports Day' and 'Coalway Camp'!

Classes 5 and 6 put on a wonderful performance at the end of term for the whole school, the parents and Coalway Early Years. It was called, 'The Disappearance of Danny Dab'. This is what the parents and children at Coalway thought of our amazing Year Two children.

What a pleasure to watch! Confident kids, ace!!! I will miss the wonderful plays...

**Fab - u - lous!!!**

What a colourful and enthusiastic performance. Most enjoyable! And great fun!

Absolutely AMAZING.

What a treat. Thank you to all the children and all the teachers for a superb evening.

Amazing! A wonderful play - really enjoyed it. Will never forget it!

I liked that there was different music for each planet - Jack (aged 10).

There was a tremendous finale. Absolutely wonderful! Not a dry eye! - Amy.

The children were absolutely fantastic - very proud to watch them grow. Well done to all the teachers too.

Wonderful performance. What an achievement. 5 stars!

I really enjoyed the play. I could sit for 100 hours and not get bored. Everybody did really well for their age! Sienna Reid.

The Summer Fayre for the Coalway Schools (Early Years, Infant and Junior) was very successful. It was held at the Juniors this year. It was a scorching hot day. Coalway Kids Club also had a stall. There was a huge variety of stalls, activities, entertainment and refreshments.

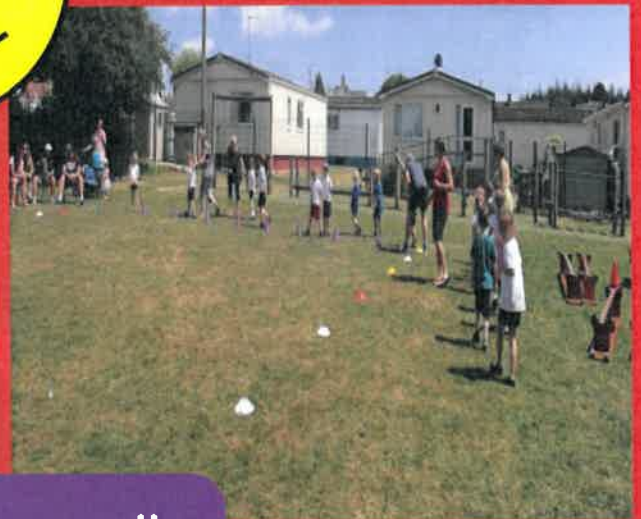

# Summer Fayre Highlights...

Look! Sports Day! Phew it was very warm. We all raced as fast as we could... and then sat in the shade!

The lollipops really cooled us down!

# Open Afternoon

So proud! They have  
done so much work.  
Well done everyone!

## The last 'Wake n Shake' with Parents!

Phew! I'm ready to start the day  
now! Won't need to go for my run  
today!

And finally...some pictures of 'Coalway Camp'! What an experience. Half of the children at Coalway said that they haven't ever slept in a tent. So we pretended to go camping so that we could all find out what it is like.

really sleep there! -

It would be fun to sit around the campfire  
and toast marshmallows! - Class 3
