

Class 1 & 2 Homework

Term 4

This term Classes 1 and 2's topic will continue to be 'Once upon a Fairytale'. We will be learning a range of stories and completing work related to the characters. Please choose at least 3 of the following home learning projects to complete before the end of term. As soon as any task is completed send it into school-all work will be treasured and displayed on a special homework board in the classroom. Please let us know if you need anything to help your child complete a task. Remember it's OK for an adult to help the children write or write for them if needed. The children can use the internet to help as long as an adult knows they are doing it.

Talk to your family about their favourite Fairytales when they were children. Can they retell you the story?
Can you tell us about it at school?

Make a crown for a prince or princess.

Look after your planted bean and keep a record of how it grows.
Stick photos or draw pictures into your bean journal.
(Children will bring the planted bean and journal home with them during the term).

This will continue on into the summer term with the growth of the bean.

Log in to Purple Mash. Use '2go' to follow a simple path, and save it to the class folder.

Go for a walk, look at and talk about what you see. Draw 3-5 features and write the shape name.

What 3D shapes were the things you saw?
Eg: a postbox-cylinder.

Make a healthy sandwich for Grandma, take a photo and bring it in.
Can you tell us about the sandwich?
