

Kings, Queens and Castles – Year 2 – Term 4

Home Learning Activities

Thank you for all your wonderful space Home Learning from last term. Here are some exciting activities to complete at home together this term. When you have completed a task, please could you bring it in or take a photograph. Your child's Home Learning will then be shared on our Homework board. Please try to complete at least 3 of the 6 tasks below before the end of term, **Friday 8th April 2022**. We really look forward to celebrating the work you have done at home. If you need any resources please ask Mr Hook or Mrs Burke.

Science

Make a drawbridge out of paper that is strong enough to support a 1kg weight. Look at pictures of real bridges to find out what shapes and structures are important.

Art

Make a magical picture of a castle using different tools and materials (glitter / paint).

History/Computing

Use the internet to research a castle of your choice. Present your findings as you wish (poster, booklet, PowerPoint, leaflet).

Local Experience

Visit your local library. Try and find a Castle book. Take a photo of your visit to show us.

Reading/ English

Read a castle or a dragon story. Draw a story map to show the key events.

Mathematics

Practice your 5 times tables either by writing them out, or log on to Purple Mash and complete the times table race.
