

Year 1 Home Learning, Summer Term 6 2022

'A Child In The Forest!'

Home Learning. Well done again Year One children and parents! We had lots of fabulous home learning completed last term and were thrilled by the effort you all put in. This will really support the work we are doing in class. Please choose 3 out of the 6 activities/tasks below. We will really treasure your work again so send it in as soon as you complete it and we will display it on a special wall in the classroom and share it with your friends. (Please see the class teacher if you need any help with these activities.)

Maths

Money

Sort coins / bank notes. How could you sort them? Size? Shape? Colour? Value? Which is worth the most / the least? Can you order the money from least value to most value?

Challenge - can you find different ways of making 10p? 20p?

Science

Plants (Trees)

Choose a woodland tree to draw. Can you label its features? Can you write some captions / sentences about your chosen tree? Can you find this tree growing in your local woods?

Challenge - can you draw the life cycle of a tree? Can you label each stage of its growth?

Technology

Teddy Bears Picnic

Make an invitation for a family member or a friend to a Teddy Bear's Picnic. Where will it be held? Which day? What time? Do they need to bring anything?

You could take a photograph or draw a picture of your Teddy Bear's Picnic!

Challenge - can you write a report about your Teddy Bear's Picnic?

English

Teddy Bears Picnic

Can you design and make some healthy snacks for your Teddy Bear's Picnic? What could you have to eat and drink? Draw a picture of your picnic or take a photograph to share in class.

History

Childhood Long Ago and Today

Talk to your Mum or Dad / Grandma or Grandad about their childhood. What toys did they have? What games did they play? What was school like when they were the same age as you? How was their childhood the same / different to yours?

Look at some photographs of children during the Victorian times. What do you notice?

Art

Land Art

Collect natural materials from your garden or the local woods. Can you make a Land Art design using these? Think about shapes and patterns.

With an adult, use the Internet to look at some pictures of Land Art by the artist Andy Goldsworthy. Which is your favourite design and why?
