

Coalway Kids News!

April 2016

Welcome again to 'Coalway Kids News'; the newsletter created by the children who attend 'News Club' after school on **Tuesdays**. Here you will find our views and information on what happens at Coalway Community Infant School. As usual, everything in this newsletter has been created by us, the children of Coalway!!!

It's been another really special month here at Coalway! At the end of term we enjoyed some special Easter celebrations and Classes 1&2 put on their show - 'Nursery Rhyme Nonsense'. We also held some very special events including, 'Afternoon Tea with the School Council and Governors'!

Classes 1 and 2 put on a wonderful performance at the end of term for the whole school, the parents and Coalway Early Years. It was called 'Nursery Rhyme Nonsense'.

We really loved their singing! Well done Classes 1 and 2! - Xander

The characters were very funny! - Lily

I thought the dancers and the music were really cool.
- Lexie

It was amazing! Class 4

We are so proud of you! -
Year 2

You spoke to us very clearly
and loudly. We could hear the
story really well! - Blake

We thought the costumes
were really great! - Frankie

The Gloucestershire Life Education came to visit us. We love seeing Pete and Harold.
We learn how to be happy and healthy. - Sienna

We love
Harold and
his friends!!!

We learned about
what's inside our
bodies and how to
look after ourselves.
- Jake

Sport Relief Day. We had to dress in sporty clothes.

We all managed to complete one mile. It was really fun because we had obstacles on the playground, so we didn't mind having to do so many laps!

We have been out and about for visits related to our themes.

Year One went to the 'Church of the Good Shepherd' to learn about Baptism and Easter. We looked for frogspawn, tadpoles and frogs in the pond on the walk back to school.

Year Two went to Raglan Castle. We had a wonderful day and we especially enjoyed going up the spiral staircase. It was windy and spooky!!

Finally, Coalway School Council invited our Governors to a tea party. The children at Coalway wanted to find out more about the work of a Governor. The Governors always want to spend as much time at school as they can and also wanted to know more about the work of the School Council. So, we thought it would be a good idea to get together.

First a small group of School Councillors took the Governors for a guided tour of the school.

We rehearsed this several times before, making sure that we pointed out all the things that are most important to us. School Council explained the Coalway Bees, our playground/friendship rules and pointed out the work that we are most proud of!! We talked about the job of a school councillor.

Then we had some lovely cakes, biscuits and squash. The grown-ups had tea. -Tazmin

We showed the Governors our books and asked each other questions. -Maya

We were all very pleasantly surprised to learn that the job of the Governors and the School Council is the same; to make Coalway Community Infant School a happy, healthy place to play and learn.

The Chair of Governors, Mrs Kathy Russell sent us a fabulous e-mail to say thank you. She said that the children in School Council were, 'polite, smartly dressed and informative'. Well done School Council...and Governors!!!
