

Year 1 Home Learning

Spring Term 4, 2022

Classes 3 & 4

Here are some exciting activities to complete at home together this term!

When your child has completed a task, please bring the completed activity into class so that it can be celebrated, shared and displayed.

Please try to complete at least **three of the tasks** before the end of term, **Friday 8th April**. If you need any resources, please ask Mrs Grindle or Mrs Arnold.

We really look forward to celebrating the work you have done at home. Thank you for your on-going support and commitment to your child's learning.

Mathematics

Write all number pairs to 10 e.g. $9 + 1 = 10$,
 $8 + 2 = 10$

Challenge - Write all number pairs to 20.

Can you write the related subtraction facts for each number family?

Geography

Follow this link to the virtual tour bus in London. Write down three things you enjoyed seeing the most and say why.

<https://www.youtube.com/watch?v=GLZ4KE0H3HE>

Science

Can you name some of the flowering plants and trees found in a garden? Draw a picture of a plant and label its features eg, stem, leaf, petals.

'The Queen's Hat'

History

Find three facts about the Queen and write them down to share with the class.

Music

Whilst watching 'The Changing of The Guards' look out for different instruments you see or hear. Draw a picture of your favourite instrument and add labels.

Art

Watch this footage of 'The Changing of The Guard'

<https://www.youtube.com/watch?v=r0DHVxPSmzc>

Paint or draw a picture of the Guards.

English

Plan a garden party or Jubilee celebration. Can you make an invitation for your family or friends?

Maybe you could make Jubilee cakes or biscuits? Can you write the instructions for making these?
