

# Home Learning in Year One - Term 4, 2019

Well done again Year One children and parents! We had lots of fabulous home learning activities completed last term. Here are some more exciting things for you to do at home together this term. This will really support the work we are doing in class. Please choose at least 3 out of the 6 activities/tasks below. We will really treasure your work again so send it in as soon as you complete it and we will display it on a special wall in the classroom and share it with our friends. If you need any help please see the class teacher.

## Art / Technology / English

Design and make a pond creature - it can be real or imaginary! Challenge: Can you write a set of instructions explaining how you made your pond creature?

## Science/Maths/PSHE

Make a healthy snack or drink and follow a recipe closely, measuring out the ingredients. Challenge: Can you record how many healthy snacks / drinks you have over a week? How will you display this information?

## Geography / Science

Visit a local pond with your family eg, Jug's Hole, Cannop Ponds, Soudley Ponds. What can you see there? You could take some photos or draw a picture of the pond. Challenge: Can you make a map showing your journey to the pond? Can you label it?

## Science/I.C.T./ English

With an adult, research your favourite pond animal.

Challenge: Can you write a simple fact file about your animal?

(This might be a useful website:

<http://www.bbc.co.uk/education/topics/z68d21n/>)

## I.C.T./English

With an adult, access the 'Bog Baby Blog'. You could take part in the Bog Baby survey!

<http://jeannewillis.com/BogText1.html>

(Remember - stay safe online!)

## Art

Explore the technique of Pointillism by the artist Georges Seurat. You could use different media eg, crayons, felt tips, pencils, paint, chalks.
