

Let's Explore the Great Outdoors

Home Learning Activities Here are some exciting activities to complete at home together this term. When your child has completed a task, please bring the completed activity into class so that it can be celebrated, shared and displayed. Please try to complete at least 3 of the 6 tasks below before the end of term, on Wednesday the 20th October. We really look forward to celebrating the work you have done at home. Thank you for your on-going support and commitment to your child's learning.

Science/Art

Go for a walk in your garden.

Can you identify and name any Minibeasts you find?

Take some photographs of what you find!

English/Poetry

Find a poem or rhyme about a Minibeast. Copy it down and perform it to your family or friends.

Active

Move like a Minibeast! Make a list of 5 Minibeasts and try to copy the way they move.

English/Writing

List all the films, books, rhymes and songs you know about Minibeasts. Can you reach 5?

Maths

Show your family's favourite Minibeast using a bar chart or tally chart.

Design Technology

Design and make your own Super bug!
Why not use junk modelling?
