

Autumn Term One Year 1

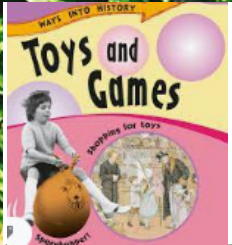

'Marvellous Me'
&
'Super Duper
You!'

English

This term we will learn the poem 'When I'm By Myself'. We will look at different sections of the poem and write our own versions.

In another text we will focus on non-fiction with the information book 'Toys and Games'. We will read about toys from the past and write our own information report.

We are
reading...

In History we will learn about the past through artefacts like old toys. We will ask our parents and grandparents questions about their toys. We will find out what life was like for them in the past.

Maths

This term we focus on numbers to at least 20. Ordering, finding missing numbers on a number line, say what is one more, one less, partition the number 5 and 6 and learn about 2D shapes and their properties.

Science

In Science we will learn about our bodies and our senses. We will explore how we use our senses and name each one. We will name the main bones in our skeleton and some body parts.

Art

In art we will be learning the skill of drawing, looking at spirals, drawing a continuous line, drawing shells with soluble pens and experimenting with these skills in our sketchbooks.

Classes 3 & 4 Mrs Arnold & Mrs Goodland

Phonics

We teach phonics everyday and follow the scheme 'Little Wandle'. Children will read everyday during phonics lessons and read the same book at least three times a week. A home reading book will come home in your child's book bag and will be shared with an adult in school. A phonics homework sheet will come home every Friday for you to complete with your child.

DT

We will find out about healthy foods and design our own fruit smoothie! We will think carefully about what we need, how to make it and evaluate the final product.

Music & RE

This term we will learn about Hip Hop, we will learn about various Hip Hop artists and introduce the musical instruments. We will play instruments and learn how to move to the pulse of the songs. In RE we will be reading the creation story and finding out what Christians believe about the meaning of the story and how we can begin to make connections with our own thoughts about creation.

PSHCE

We will be learning about classroom rules and how rules keep us safe. We will look at body language and think about how we can tell a person's feelings from this. We will talk about a range of feelings and discuss ways of dealing with them.

Computing

We will be learning about 'Technology Around Us' and learning how to type our names, save a file, delete mistakes and use a mouse or pad.

PE

During PE we will have two sessions a week. Session one is Dance and session two explores skills such as balancing, landing safely, running at speed, changing direction and dodging.

PE afternoons are Wednesday and Thursday – Class 4
Monday and Thursday - Class 3
