Re: School contact in the coming weeks

Dear Parents and Carers,

I hope that this letter finds you and your families well.

Following publication of our wider re-opening offer today, I am writing to inform parents of children who are not eligible to attend school at the moment of our plans for the coming weeks.

Firstly, I would like to thank you all for the amazing job you are doing in keeping the children safe and in teaching them at home. You are all doing a fantastic job and we very much appreciate your support.

We are missing the children tremendously and only wish that everything were 'back to normal' and that our usual school routine could return. The situation remains challenging and I hope that you are all managing to keep positive and appreciate the precious, and usually rare, family time that this situation has presented.

During the week beginning 1st June our intention is that the teachers will telephone all parents to see how you are getting on generally, as well as with the home learning that we have provided. This will enable us to give you further, more bespoke learning materials to suit what is working for you and your child.

From 8th June Mrs Gwynne and Miss Roberts will be your key contacts for any home learning queries as the other teachers will be in class full time from this date. They will liaise with you and the teachers from then on to help you in any way.

We shall also be sending home your child's annual school report during June and making contact to arrange the usual discussion.

Should you need any further support or advice from Lisa as Family Support Worker, Miss Roberts as Special Needs Co-ordinator, or myself, please continue to contact us via the School Office.

Mrs Nash and Mrs Edwards will continue to contact those parents whose children are eligible for Free School Meals to ensure this service is maintained.

We look forward to catching up with you very soon.

Kind regards,

F. Hamilton

Headteacher
