## Reading a book online

We allocate books to your child according to their reading levels. These books will appear in the 'My Stuff' area of their personal homepages and will be updated on a weekly basis.

Throughout the books there are quiz questions for your child to complete. To answer a question, just click on the bug icon.

Your child does not need to finish all the quiz questions in one sitting and can come back to a book later.

**Important-**Once you have finished the book please close the book. This ensures that your class teacher can add new books. The books that you have read will stay in your child's Library.

Please contact us if you experience any problems. Many thanks.
