

Super Storytellers! Reception Home Learning Term 4 2022

This term Classes 1 and 2 will be learning through traditional tales. Please choose at least 3 of the following home learning projects to complete before the end of term. As soon as any task is completed send it in to school-all work will be treasured and displayed on a special home learning board. Please let us know if you need anything to help complete a task. Remember-it's okay for an adult to help your child write or write for them if needed. The children can use the internet to help them as long as an adult knows they are doing so

Use junk and other materials to make a house for the 3 little pigs or the 3 bears. Either bring your model to school or ask a grown-up to send a photo.

Use some card/paper/other materials to make character puppets for The Gingerbread Man story. Tell the story using these props to someone at home.

Create a story map about your favourite story then use it to tell the story to someone at home.

Keep an eye out for signs of Spring/growth/new life when you are out and about. Draw and label some of the things that you've spotted.

Bake cookies with your family just like the Little Old Lady in the Gingerbread Man story. Bring some in or take a photo of your cookies to show.

Cut out the 10 gingerbread men that have been sent home. Use these to make addition stories for numbers up to 10. Can you record these?
e.g. $2+2=4$, $5+2=7$
