

Class 1 & 2 Home Learning

Terms 5 and 6

For Terms 5 and 6 the topic for Classes 1 and 2 will be 'Q Pootle Calling Earth'. Please choose at least 4 of the following home learning projects to complete before the week beginning 8th July. As soon as any task is completed please send it into school - all work will be treasured and displayed in a special homework area. Please let us know if you need anything to help your child complete a task. Remember it's OK for an adult to help the children write or write for them if needed. The children can use the internet to help as long as an adult knows they are doing it.

Cut out the attached rocket picture. Draw and label some things you find which are longer than the rocket and some which are shorter than the rocket.

Write a postcard to your family as if you are in a spaceship. Tell them what you can see, hear, etc.

Ask a grown-up to help you investigate planets and write down what you find out.

Make a space vehicle and bring it in to school to explain how you made it.

Design and draw your own alien and give it a name.

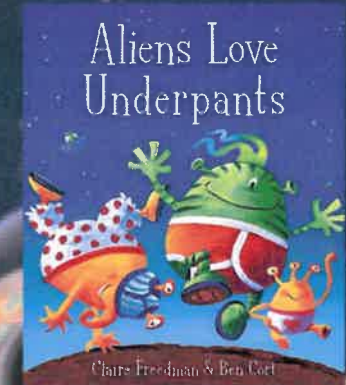

Find 2 different containers which hold the same amount of water. Bring them to school to talk about with your class.

Find out about a country you would like to visit. Draw some pictures and label them.

Log in to Purple Mash and complete an activity from the list provided in term 2.
