

I'm Feeling Happy

I've got a heart full of joy, I've got a face full of smiles
And nothing's gonna take this feeling away.
I've got a life full of fun with much more to come,
I'm feeling happy today.

CHORUS

I'm feeling happy, I'm feeling happy,
I'm feeling happy, happy today.
I'm feeling happy, I'm feeling happy,
I'm feeling happy, happy today.

I've got my eyes on the prize, I'm holding my head high
And nothing's gonna take this feeling away.
I've got a life full of fun with much more to come,
I'm feeling happy today.

CHORUS

I'm feeling happy, I'm feeling happy,
I'm feeling happy, happy today.
I'm feeling happy, I'm feeling happy,
I'm feeling happy, happy today.

I've got a spring in my step and I am walking on air
And nothing's gonna take this feeling away.
I've got a life full of fun with much more to come,
I'm feeling happy today.

CHORUS

I'm feeling happy, I'm feeling happy,
I'm feeling happy, happy today.
I'm feeling happy, I'm feeling happy,
I'm feeling happy, happy today.

CHORUS

I'm feeling happy, I'm feeling happy,
I'm feeling happy, happy today.
I'm feeling happy, I'm feeling happy,
I'm feeling happy, happy today.
