

Autumn Term One Year 1

English

This term we will learn the poem 'Firework night'. We will look at different sections of the poem and write our own versions. We will also focus on the non-fiction text 'our trip to the woods'. We will experience visiting the local woods before thinking about this experience and writing a recount.

We are reading...

Maths

This term we focus on numbers to at least 20. Ordering, finding missing numbers on a number line, say what is one more, one less, partition the number 5 and 6 and learn about 2D shapes and their properties.

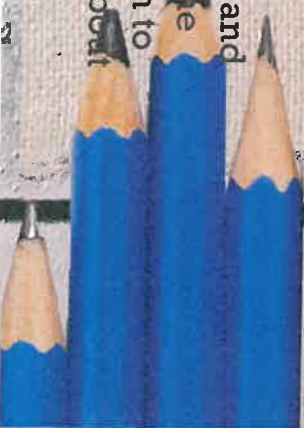

Science

In Science we will learning to Identify & name a variety of everyday materials, including wood, plastic, glass, metal, water & rock. We will describe the simple physical properties of a variety of everyday materials.

RE and Music

This term we will learn about Hip Hop, we will learn about various Hip Hop artists and introduce the musical instruments. We will play instruments and learn how to move to the pulse of the songs.

In RE we will be reading the creation story and finding out what Christians believe about the meaning of the story and how we can begin to make connections with our own thoughts about creation.

Phonics

We teach phonics everyday and follow the scheme 'Little Wandle'. Children will read everyday during phonics lessons and read the same book at least three times a week. A home reading book will come home in your child's book bag and will be shared with an adult in school.

PSHCE

We will be learning about classroom rules and how rules keep us safe. We will look at body language and think about how we can tell a person's feelings from this. We will talk about a range of feelings and discuss ways of dealing with them.

DT

We will find out about healthy foods and design our own fruit smoothie! We will think carefully about what we need, how to make it and evaluate the final product.

Art

In art we will be learning the skill of drawing, looking at spirals, drawing a continuous line, drawing shells with soluble pens and experimenting with these skills in our sketchbooks.

PE

We will have two sessions of PE a week. Session one is Dance and session two explores skills such as balancing, landing safely, running at speed, changing direction and dodging.

PE afternoons are Monday and Thursday - Classes 3 and 4

Computing

We will be learning about 'Technology Around Us' and learning how to type our names, save a file, delete mistakes and use a mouse or pad. We will also think about how we stay safe online and how we can use technology responsibly.
