

Let's Explore! Reception Home Learning Term 5 2022

This term Classes 1 and 2 will be exploring the world around us and thinking about why it is special. Please choose at least 3 of the following home learning projects to complete before the end of term. As soon as any task is completed send it in to school-all work will be treasured and displayed on a special home learning board. Please let us know if you need anything to help complete a task. Remember-it's okay for an adult to help your child write or write for them if needed. The children can use the internet to help them as long as an adult knows they are doing so.

Design and make a new crown for Queen Elizabeth to wear for her Platinum Jubilee celebrations.

Have a tea party/picnic with your family for the Queen's Jubilee.
What food will you make? Send some pictures of your special celebration.

Make invitations to invite family members to your Jubilee Celebration tea party.

Draw a portrait of the Queen - Choose your favourite photograph of her to draw - you may choose to draw her when she was younger.

Invent a simple ball game with rules to play with someone at home.
How will you keep score?

Ask the adults at home to download the Woodland Trust App - Tree ID
Go for a walk with your family and use the App to find out what trees grow in our local area.
Can you draw and label some of them?
