

# Coalway Kids News!

Spring Term 4 - 2018

Welcome to the Term 4 edition of 'Coalway Kids News'! You will find our views and information on what happens at Coalway Community Infant School. Remember **everything** in this newsletter has been created by us, the children of Coalway!!!

It's been a really special term here at Coalway! At the end of term we enjoyed some special Easter celebrations and Classes 1 and 2 put on their show - 'Fairytale Frolics'. We also held some very special events including, 'Afternoon Tea with the School Council and Governors', 'Sport Relief', 'History Day', 'World Book Day' and had a visit from the Gloucestershire Life Education Bus!

Classes 1 and 2 put on a wonderful performance at the end of term for the whole school, the parents and Coalway Early Years. It was called, 'Fairytale Frolics'. This is what the parents and children at Coalway thought of our amazing Reception children.

Brilliant little show! Loved the backdrop and scenery. School shows make special memories; especially for Grandparents. Thank you!

It was so beautiful! - Shanade

All the characters were fantastic - even the Big Bad Wolves! - Class 3

The play was amazing! A credit to all the hard work put in by Mrs Gwynne and Miss Roberts and obviously all the children! Can't believe they are only 4 and 5!

Amazing! Well done! Looking forward to watching the next two!

Totally heart-warming. A joy to watch; my cheeks hurt so much from smiling so much! An amazing performance.

An excellent performance - a credit to everyone involved! The best show I have ever seen!

Such an amazing show, the teachers have done such a fantastic job directing these 4 and 5 year old children to perform in front of so many people. Huge achievement! We have thoroughly enjoyed the show. Well done. Main thing is, the children had fun and smiled all the way through.

We loved the dances; some of them were hilarious! Class 4

Excellent entertainment. Each child had a part. Can't wait for the Christmas one!

We were very excited to see the 'Gloucestershire Life Education Van' (which made it through the 'Beast from the East') at school earlier this term. It was so great to see Harold the Giraffe and his friends again. We learned all about how to keep ourselves healthy and happy.

In the Life Education Van we talked about feelings, staying healthy and body parts like brain, ribs, heart, lungs and intestines. - Albert

We found out about keeping our bodies healthy. You have to drink lots of water. Joseph

In the 'Life Education Van' we talked about eating lots of vegetables and fruit. You are supposed to have 10 a day! - Kieran

We talked about what to do if you're feeling sad. You must talk or tell someone. I loved it when the stars came on the ceiling. - Olivia

## 'World Book Day'.

We held 'Books at Bedtime' on Friday 9<sup>th</sup> March.

Jack said, 'I loved reading with the older boys. Soon, I will be able to read like them too'.

We came to school dressed ready to go to bed! Some children brought their favourite teddy bears and we all brought our favourite bedtime story. We shared our books with children in other classes. The older children helped the younger children to read. At the end of the day, it was very quiet...we had milk and a biscuit and settled down for a lovely story with our teachers. It was very hard not to fall asleep! zzzzzzzzzzzzz

# Sport Relief - 23<sup>rd</sup> March...

We dressed in our sporty clothes and took part in lots of different exercises and activities. Everyone managed to complete a mile by walking or running or both!

We felt fit and proud when we finished the mile. Some of us challenged ourselves and ran even further! - Year One

# School Council Afternoon Tea with the Governors...

First we took the *Governors* on a 'guided tour' of Coalway. We pointed out important things like our 'feelings mirrors', our e-safety rules and our values. The *Governors* noted that we are very 'proud of our school'.

Then we had drinks and cakes and talked about and showed our learning. The *Governors* said we are very 'knowledgeable and passionate' about our work.

We discovered that we all enjoy making Coalway the best school ever! If you want to find out more check out our *Governor's Messages* on our website homepage!

Finally we asked each other questions to find out about each other's roles at school.

What does a *Governor* do?

Do you like being a *Governor*? Is it fun?

Have you done your 'Coalway Blast' today? We now make sure that we do a burst of exercise for between 5 and 10 minutes every day in our classroom as well as all the P.E we do and our playtimes.

We love keeping fit!

We made a video of our Coalway Blast. It was great fun!

Class 4

I follow the girl in green because I like it to be challenging!

Oliver - Class 6

I like all the exercises we've done. I even practice them at home!

Evie - Class 3

We really like trying out the different workouts. 10 minutes is hard work! - Class 5

I like doing exercise in the classroom. It's really cool!

Corey - Class 6

Remember to log on to [www.fitterfuture.com](http://www.fitterfuture.com) at home and try your own 'Coalway Blast'.

# History Day

A mysterious object appeared in school on History Day. Please read the next pages to find out what each year group thought the object might be and how we investigated it!

Please check out the display in the corridor to find out more!
