

Lift
Off!

Year 2 - Term 3 - Spring 2022

We have been thrilled by the home learning that you completed in Terms 1&2. What superstars you are!

*Here are some exciting activities to complete at home together this term. When you have completed a task, please could you bring it in or take a photograph? Your child's home learning will then be shared on our home learning wall. Please try to complete at least 3 of the 6 tasks below before the end of term, **Friday 18th February**. We really look forward to celebrating the work you have done at home. If you need any resources please ask Mr Hook or Mrs Burke.*

Writing/ Art

You are going to meet some aliens on another planet. What 10 things would you take as presents for them? Draw them in a gift box.

Design and Technology

Bake your own space themed cookies or biscuits. They could be star, rocket or planet shaped.

Art/ Design and Technology

Use scrap paper, foil, sweet wrappers and other junk from around the house to create your own space collage.

Science/ English

Please log onto *Purple Mash* to find your science task set. It is an investigation of the properties of everyday materials.

Reading

Complete a Space Reading Quiz from your class teacher. This will also give you a stamp on your READ disc!

Mathematics/ Art

Please log onto Purple Mash to find your Maths Multiplication race!

Or

Make your own galaxy in a jar!
