

Journey Around the Globe – Year2 - Terms 5&6

We have been thrilled by the homework that you have completed this year. We have enjoyed sharing every piece with your friends and teachers. What superstars you are!

Here are some exciting activities to complete at home together during terms 5 and 6. When you have completed a task, bring it in and we will share your work and display it in the classroom. Please try to complete at least 4 of the 8 tasks below before the end of term, Tuesday 23rd July. We really look forward to celebrating the work you have done at home. If you need any resources please ask Mr Hook or Miss Screen.

Science

Draw and label two animals from Madagascar.
Can you write a descriptive sentence about each animal?

English/Art

Design a poster advertising a 'Punch and Judy' performance at the seaside.

Computing/ Geography

Use the internet to find out the names of four different lighthouses.
Can you draw them carefully?

PE

Create a fitness routine to keep you fit and healthy on your journey around the globe. You might like to include movements from 'Coalway Blast'.

Speaking & Listening/ Reading

Practice reading your favourite book at home. Bring it in and read your story to another class in school.

Mathematics

Create 5 word problems based around an Australian theme.

Music/Art/Computing

Find out what a didgeridoo is. Design a pattern for your own didgeridoo.

Music

Create a verse of a song/rhyme/rap you could sing on your travels. You might like to perform this to your friends.
