

Harvest Samba

Cabbages and greens,
Broccoli and beans,
Cauliflower and roasted potatoes,
Taste so good to me!

Apricots and plums,
Ripened in the sun,
Oranges and yellow bananas,
Good for everyone!

***It's another harvest festival
When we bring our fruit and vegetables,
Cause we want to share the best of all
The good things that we've been given.
It's another opportunity,
To be grateful for the food we eat,
With a samba celebration to
Say thank you to God the Father.***

Golden corn and wheat,
Oats and sugar beet.
Fluffy rice and tasty spaghetti, wonderful to eat!

Coffee, cocoa, tea,
Growing naturally,
Herbal plants and all kinds of spices,
Very nice indeed!

***It's another harvest festival
When we bring our fruit and vegetables,
Cause we want to share the best of all
The good things that we've been given.
It's another opportunity,
To be grateful for the food we eat,
With a samba celebration to
Say thank you to God the Father.***

Thank you for the harvest,
Thank you for your goodness,
For all the fruit and vegetables
And the wonderful things that grow.

Harvest Time Is Here Again

*Harvest time is here again,
Harvest time has come,
Harvest time is here again,
Harvest time has come.*

Plant the seeds and watch them grow,
Wait for sun and rain.
Watch the seasons passing through,
Till Autumn comes again.

*Harvest time is here again,
Harvest time has come,
Harvest time is here again,
Harvest time has come.*

Bring the fruits in from the fields,
With thanks to God above,
Praise to him for all we have,
Given with His love.

*Harvest time is here again,
Harvest time has come,
Harvest time is here again,
Harvest time has come.*

*Harvest time is here again,
Harvest time has come,
Harvest time is here again,
Harvest time has come.*
