'Into The Woods!'

Year 1, Classes 3 and 4,
Summer Term 5, 2022

Here are some exciting activities to complete at home with your child. When you have completed a task, please could your child bring it into school. Your child's Home Learning will then be celebrated and shared in class. Thank you for your on-going support and commitment to your child's learning.

Geography / English

Go for a woodland walk.

What can you see / hear / smell?

Make a list of common woodland animals and plants.

Challenge – draw a picture of your favourite woodland animal or plant. Label its features. Can you find out 5 facts about your chosen animal or plant?

History

Plan a Platinum Jubilee celebration party.

Who will you invite?

Make an invitation, party bunting, flags and hats for your Jubilee celebration. What games could you play? What foods will you eat?

Draw a picture or take a photograph of your Jubilee Celebrations.

Challenge – can you design and make a Platinum Jubilee badge?

Art/ Computing

Look online at the flowers painted by the artist Georgia O'Keeffe. What can you see? How did she use pattern and colour in her work?

Take a photograph and draw a picture of a woodland flower. Look closely at the patterns and colours you can see. Draw a close-up picture of the flower head in the style of Georgia O'Keeffe.

Explore different media – pencils, crayons, paints, collage or natural materials.

Maths

Practice counting in 2s, 5s and 10s and making arrays / sharing into equal groups. You could use natural materials found on a walk to the woods eg, leaves, sticks, stones, pine cones.

P.E.

Practice sending and receiving ball skills using your hands and feet. Can you make up your own ball game or relay team game?

You could take photographs of your family having fun and keeping fit!

Phonics

In school, we are currently revising Phase 5 letter sounds. Please can you practice these sounds in isolation and within words. Please encourage your child to segment and blend words, using their phonetic knowledge. Don't forget to practice the phonic booklets in your child's reading bag!
