This term Classes 1 and 2's topic will be 'Farmyard Hullabaloo'. We will be learning a range of stories and completing work related to the characters. Please choose at least 3 of the following home learning projects to complete before the end of term. As soon as any task is completed send it into school-all work will be treasured and displayed on a special homework board in the classroom. Please let us know if you need anything to help your child complete a task. Remember it's OK for an adult to help the children write or write for them if needed. The children can use the internet to help as long as an adult knows they are doing it.

Log in to Purple Mash and complete an activity from the list provided in term 2.

Make a junk model farm animal.

Use the alphabet sound sheet attached to think of things from the farm starting with the different letters.

Try to write as many of the sounds as you can by yourself.

Talk about the foods which come from a farm which you have at home.

Can you bring 3 empty packets to show and tell your class about?

Make a healthy sandwich for the farmer, take a photo and bring it in.
